

It's that time of year again!  
Prizes! Good food! New T-Shirts!  
RAIN OR SHINE!

And, of course, a riveting hockey tournament  
where Camp YMCA Kanawana staff match  
their prowess against Sam's friends.

All of it in memory of that legendary net-minder, 5-Hole Sam Lazarus,  
who earned his nickname from a spectacular weakness which allowed no balls thru his  
crease except those that rolled thru the gap between his legs.

Come join the fun!

Easton Avenue in Montreal West  
(behind Royal West Academy)

*Proceeds go to the YMCA Camp Kanawana Sam Lazarus Fund. This fund was created in Sam's name to give disadvantaged children an opportunity to experience the splendor of the great outdoors. Sam's love of children and his unique way of relating to them made him a special presence at camp and a wonderful mentor to those he worked with. We hope this fund will keep his spirit and values alive at Camp Kanawana for many years to come.*
